“The Future of the FDA”

by

Congresswoman Rosa L. DeLauro (D-CT)
**Chair, Subcommittee on Agriculture, Rural Development,
Food and Drug Administration, and Related Agencies
House Appropriations Committee**

Congresswoman Rosa DeLauro is serving her ninth term in Congress representing Connecticut's Third District and is a longtime advocate for food safety reform and the promotion of public health. As Chair of the Agriculture-FDA Appropriations Subcommittee, DeLauro works to secure the nation's food supply and ensure safe and effective medical products by supporting the FDA. She will present her vision of the future of the FDA and the role of funding, research, and oversight in advancing the mission of the agency.
